COMMUNITY SERVICE

1986 - 1990 - Served on the Board of Directors of Metropolitan Parks & Markets. (The Government owned urban management company which manages garbage collection, street cleaning and Market and Park operations, upgrading and maintenance for the city of Kingston.

1993-Present - I have been involved privately in the encouragement of Community Development in the "Southside" neighborhood of Kingston (The neighborhood where my office is located.). This has included a continuing attempt at aiding community development thru "Advocacy" involving the following:

- Developing and Championing proposals for Resident based community redevelopment as put forward in the "Southside Housing Empowerment Proposals"
- Supporting personal development thru membership on the Board of the community group Parents of Inner City Kids (PICK).
- Acting as a service resource to The Highholborn Street Community Center and the Inner-City Marching Band.
- Contributing professional services to the Development of the Breezy Castle Center (A Recreation Complex)
- Maintaining a personal, development plan ("Kingston's Future") for the Development of Downtown Kingston.
- Developing a citizen's based Development Plan to guide the National Housing Trust's proposed housing developments in the area.
- Providing a base for the Youth Counseling Activities of City Life Ministries in Southside www.citylifeministries.org
- Creation of "The Gold Coast Initiative" a catalyst for the regeneration of Southside and Tel Aviv.

2003-2006 - Member of the Interim Board of the Kingston City Center Improvement Company (A company being established to manage the development of downtown Kingston.)

2008 - Member of the Board of the Caymanas Development Company

2008-Present - Chairman of the Board of Trustees of the Jamaica National Heritage Trust

2008- Present - Member of The Council of The Institute of Jamaica

LANGUAGES

My First Language is English and I am "Functional" in Spanish.
